

# BIBLE BOOK BINGO CARD

Here's how it works! During our lessons over the next few weeks;

1. Listen out for the names of Bible book authors, churches or people that Paul writes to (HINT: there may be a small **X** icon that appears bottom right corner of the screen each time a new one appears in the lessons!)
2. Find that Bible book on your card. Check it off with an **X**
3. For older kids: Write in a note of who received the letter, or Paul's connection to the person he wrote to.
4. Send us a copy of your completed Bingo Card to win a prize!

\*The only New Testament book not included is Hebrews, since we don't know for sure who wrote the letter. It was most likely penned by Paul or someone he knew well and was written to the Hebrews, the Jewish people; so that they could understand that Jesus was better than Judaism.
